Details of data uploaded under MGNREGA

GP	During Upload					After reflection					
	Date of upload	File name (*.bak)	Amt.	MR	Compl Scheme	Un-empl Allowance	Date of reflection	Amt.	MR	Compl Scheme	Un-empl Allowance

- All figures are in total / Cumulative.
- When GP submits the incremental backup, along with screen shots of Financial statement, Progress report, works & Un-employment generation report from off-line software would also be submitted to block. Figures under '**During Upload**' will be filled from the screen shots. Further, the screen shots have to be kept in block as GP wise and date wise as those may be used for future official purpose.
- Figures under '**After reflection**' will be filled from on-line when the data is reflected or when the next incremental will be submitted to block for uploading.
- The data gap between recent and previous records (date of upload) may be treated as '**data uploaded**'.
- The block wise- GP wise log has to be sent to District level at least once in week.
