Attention to PM-MIS,

As per the information received from various districts it has been observed that few data are still pending for entry or reflection for FY 201-13. Accordingly the MoRD, GOI has been requested. In that circumstance, the data entry for FY 2012-13 may going to be re-opened by Central from 10.06.13 (tentative) for 02 weeks. Hence, if you still have pending data for entry / reflection, you are requested to take necessary steps to arrange all information relating to OB, Total Expenditure for next FY, Total Person-days generated, Asset created etc. for FY 2012-13.

Further, it has been observed that the pending data might be lying in following types:

- Documents not entered yet.
- MR/Bills entered, but payment dates were not entered or wrongly entered.
- After switched to online from offline, still few data not matching with offline.

So, you are requested to seriously examine the above possibilities (may be more) and resolve issues within the duration will be available for data entry of FY 2012-13.

As we might get another chance for entering our due-data for FY 2012-13, it is highly expected that there will be no pending data/issue remains
